

Féile Camogie Draws 2019

The national competition is being held in Cork this year on the weekend of June 7-9th.

In Camogie, there are six divisions; eight Cork teams and eight visiting teams in each. They are broken into four groups, with two 'home' and two visiting teams in each group.

Cork Host Club Féile Officials recently received important information regarding garda vetting and other information needed ahead of the competition.

On garda vetting, clubs were reminded that any person of 16 and over that will be in the house on the weekend must be vetted if they are hosting players from visiting clubs. This includes anyone that turns 16 over that weekend. Cork County Board Children's Officer; Des Cullinane, request that all those who have not done so at this point to go through the vetting procedure as a matter of urgency.

Clubs are to submit club photos as soon as possible to the Rebel Óg PRO email asap, to this address pro.coistenanog.cork@gaa.ie. All players on U14 club panels, including those not on the Féile panel, can be included in the picture which will be used for the poster.

Clubs must also appoint Venue Co-ordinators and Pitch Co-ordinators for the weekend.

The pitch co-ordinator needs to be independent of their team taking part as they may be required to stay at the pitch when their team travels away. There will be a meeting of pitch coordinators toward the end of May to outline what is

required at each venue, in particular for quarter finals and the concluding stages.

If your Venue Coordinator is aware of a problem with availability of your club pitches for reasons such as e.g. work being undertaken at pitches, please inform Donal OhUallaigh, Runai, Coiste na nOg.

All Clubs play their first two games Friday evening, and play their visitors on Saturday morning at their own venue, while on Saturday evening all clubs visit a neutral venue for the quarter final games.

- Normal rules of camogie apply, except for one change - two subs must be brought on after 10 minutes, and two more five minutes into the second-half.
- These players cannot go off again unless they are injured.
- Other substitutions are also allowed as well, but these ones are mandatory.
- All games, including finals, are 15 minutes a side, with extra time in knock-out stages only.

Further information to be sent to the clubs in the coming weeks, as competitions in other counties are not all finished yet, so for now, it's the county and level of the team, ie; Dublin 1, Dublin 2 etc, from that county is listed.

In Camogie the draw is (host team named first):-

Division 1:

Sarsfields Galway 1;
Aghada Limerick 1;
Blackrock Kilkenny 1;
Cloughduv Clare 1;
Inniscarra Tipperary 1;
